Nov 29 2018

WASHINGTON – Today, U.S. Sen. Mark R. Warner (D-VA), Vice Chairman of the Senate Select Committee on Intelligence, issued the following statement on Trump Lawyer Michael Cohen's guilty plea on charges of lying to the Intelligence Committee and other Congressional investigators about his involvement in the Trump Tower Moscow project during the 2016 election:

**“This is yet another example of the President's closest allies lying about their contacts with Russia. With each indictment and each guilty plea, we learn more about the President’s connections to Russia in the midst of Russia’s efforts to interfere in the 2016 election. Special Counsel Mueller's investigation must continue — free from political interference by the President — until the truth is out, and Congress should pass legislation immediately to make sure that happens.”**
